

Katie's Backstory

Katie was just a kid when she moved with her family when she was 8 years old, her family wasn't big, it was small, being the only child in the family. She was very nice and kind in the family, she likes to help out people. She could always wear a purple/pink shirt with blue pants and black shoes to match her eyes, that are pink and she has brown hair also. Katie could try to make friends in the new town she lives in now. No one seemed to walk to talk to her, so she couldn't make friends. But a male named Kair, who likes talking about how monsters are evil, Katie doesn't like to listen though. Kair wears a red/orange shirt with blue pants and red shoes, with blue eyes and brown hair. One day, Katie could sit down and eat her lunch at school, until she saw that someone was looking at her, who happened to have brown hair like Katie, wearing a blue/purple shirt with brown pants and boots, "Hi!" The person was surprised and looked away. "Hey, I'm not going to bite" as Katie walked to the person, who looked 10 years older, 2 years older than Katie and the person was a girl too, "I'm Katie, who are you?"

The person looked at Katie and softly said, "I'm F-Frisk..." as she looked away. Katie could tell that Frisk was shy, Katie smiled at her.

“Nice to meet you Frisk, if you need a friend...” said Katie, “I’m here”

“T-thanks K-Katie” said Frisk as she smiled. Katie smiled right back, happy to have a friend in school.

“No problem,” said Katie as she smiled more. Frisk walks off with a smile on her face, Katie keeps eating her lunch, and then walks back to her class. After 3 years later, Katie was now 11 years old and she was with Frisk for those 3 years. Frisk won’t talk to anyone but Katie for some reason. Not a lot of people could talk to Frisk anyways, but Katie, and Frisk could be shy around Katie. They would play together as best friends until one day on a rainy day, something happened to Frisk, she fell down a hole in Mt. Ebott and Katie didn’t know. Katie was worried about Frisk and looked around to see if anyone knows where Frisk is. She saw one of the kids that goes to the same school as Katie and Frisk, it was Kair.

“Kair! Have you seen Frisk?” asked Katie. Kair looked at Katie and looked confused.

“Frisk? Um...the last time I saw her was last night, she was up on Mt. Ebott” said Kair as he looked at Katie.

“MT. EBOTT!?” asked Katie. Katie heard about Mt. Ebott and how there are monsters in Mt. Ebott, she started to freak out and then ran up to Mt. Ebott, Kair follows her. Katie looked around for clues of Frisk until seeing a piece of Frisk’s shirt. She covered her mouth, “F-Frisk..?”

“Katie...I’m sorry.....” said Kair. Katie didn’t stop crying and ran down Mt. Ebott, she didn’t stop crying. Katie ran into her house, ran to her room, and shut her door.

“I-I lost...my friend” said Katie as she hugged herself, until her door opened and Kair was there, Katie looked up at him.

“Katie, I promise you this, I will help your problem.” said Kair, “No matter what happens to me”

“R-Really?” asked Katie. Kair nodded at her and smiled.

“Really Katie,” said Kair. Then he left and Katie looked at Mt. Ebott, sighing.

“There is one way to help Frisk” said Katie as she opened her window and jumped down off it, and headed to Mt. Ebott also looked down the hole, “Looks dark and far...” then she tripped into the hole and fell down to the underground.

“AAAAAAAAAAAAAH!!!!” Then she landed on her back and on golden flowers and was black out.
